## DiSC Classic 2.0 Plus

- This assessment concentrates on you and your unique behavioral style based on your responses to DiSC Classic.
- First you will review your DiSC Graph, the basis of your feedback. Then you will learn about your Highest Dimension and your tendencies, needs, preferred environment, and strategies for effectiveness.
- Second, you will be able to explore your intensity index to become more aware of your potential strengths and weaknesses
- Third, the Assessment will help us guide you in your discovery of how D, I, S, C dimensions combine to form your unique Classic Profile Pattern.
